## **\$107,522 BAD BEAT JACKPOT HITS AT RED HAWK CASINO**

SACRAMENTO, Calif. – May 18, 2010 – Red Hawk Casino is pleased to announce that six of its guests shared a Bad Beat Jackpot in the amount of \$107,522 by playing No Limit Texas Hold'em on Friday, April 30, 2010.

Sam M. of Shingle Springs, Calif., had a hand of four fives while playing Texas Hold'em in Red Hawk Casino's new poker room on Friday, April 30. Sam thought he had a winning hand, but was beat by Joseph N. of Placerville, Calif., who had a hand of four sevens. This qualified for Red Hawks' Bad Beat Jackpot for \$107,522. Sam won half the jackpot, valued at \$53,761 and Joseph won \$26,880. The four remaining players at the table split the rest of the prize money, each walking away with \$6,720. A Bad Beat Jackpot is paid when a sufficiently strong hand is played, but loses to an even stronger hand held by another player.

The sixty-seat, non-smoking poker room at Red Hawk Casino opened in November 2009 and is located behind the Stage Bar on the casino's main floor. It features Texas Hold 'Em limit and no-limit style games with stakes that accommodate all levels of play. The poker room includes several flat screen TVs and dedicated food and beverage service. A full menu of Casino Bites, including several salad and sandwich options, are available for \$7 with orders delivered directly to players.

Red Hawk Casino hosts Texas Hold'em tournaments Monday through Friday, with registration at 9 a.m. and play starting at 10 a.m. The buy-in for the Texas Hold'em tournament is \$40.
