

Blackjack Switch

How to Play

Utilizing the standard Blackjack rules with a few exceptions this exciting game is a twist on a casino classic.

- Each player plays 2 hands with an identical bet on each.
- Player has the choice of keeping their hands or switching the 2nd card between hands.
- All splits and doubles allowed even after switching. Dealer cannot switch.
- Blackjacks pay even money, switched Ace/Ten counts as 21.
- Push 22 – all remaining bets are pushed if dealer hits a hard total of 22.
