

FOR IMMEDIATE RELEASE

Red Hawk Casino and Tribe Supporting Caldor Fire Evacuees

Placerville, Calif. – (Monday, Aug. 23, 2021) – Red Hawk Casino and the Shingle Springs Band of Miwok Indians have been working exhaustively to assist not only the dozens of casino employees and tribal members impacted and evacuated by the Caldor Fire in El Dorado County, but the community as well.

Red Hawk Casino and the Tribe are covering hotel accommodations for evacuated team members and guests, and provided meals Wednesday, Aug. 18 through Sunday, Aug. 22, 2021 for more than 1,100 evacuees throughout El Dorado County. Additionally, the casino and Tribe arranged for the delivery of more than a dozen portable restrooms and mobile shower facilities to evacuation centers, along with chargers for electronic devices, toys and games for evacuated families with children, pillows, sleeping bags, towels and more.

As the Caldor fire progresses and evacuations remain in place, Red Hawk Casino and the tribe want to offer the El Dorado County area support and reassurance that they will remain a strong community partner and offer additional resources and relief as more information on those needs become available.

Red Hawk Casino is conveniently located on Highway 50 at Red Hawk Parkway. For more information call 888-573-3495, visit www.redhawkcasino.com, or download the myRedHawk™ mobile app.
