

RED DRAGON

The Bonus Spin Xtreme Red Dragon wager is placed before each new Baccarat hand. If the Banker makes a 3-card winning 7 (Dragon), the wager wins. If the Dragon consists of all Red Cards, a wheel spin is triggered, and all players at the table who made the optional wager simultaneously participate in the bonus wheel spin.

All players at the table who make the optional progressive wager simultaneously participate in the bonus round when the wheel spins!

THE INNER WHEEL displays the community prize, which every participating player wins.*

THE MIDDLE WHEEL selects the Hot Spot player position. If the Hot Spot player made the wager, their bet sensor lights up and activates the outer Hot Spot prize wheel, which determines the Hot Spot prize.

THE OUTER WHEEL selects the Hot Spot prize, which includes the progressive awards.

** Players who win the hot spot prize are not eligible for the community prize*
